

iPledge – Online Giving Tool

Interested in setting up an online campaign? We've got you covered! iPledge is an online giving tool to make donating easy for you and your employees!

How does it work?

You provide Community Services Fund with the following:

- Company Logo
- Number of pay periods. (Have several different number of pay periods in your organization? No problem! We can allow multiple different payroll deduction options.)
- Giving options you'd like to include in your campaign (i.e. payroll deduction, credit card donation, reoccurring monthly credit card donation).
- When you'd like your campaign to run.

After CSF receives the info above, allow us 1-2 weeks to get it set up. After the page is set up, we will email you a special link for you to distribute to your employees!

Below is an example of what the Home Screen looks like on your specialized link. Your logo will appear at the top where Community Services Fund's currently is and the text at the bottom will be custom to your organization.

Employees just need to hit the "Register" button and it will take them through all of the necessary steps to complete their donation or pledge.

MESSAGE FROM COMMUNITY SERVICES FUND ONLINE CAMPAIGN

Like a kid in a
CANDY SHOP
you've got choices

To make a donation to one or more of the 62 Community Services Fund of Nebraska member agencies, log in if you are a returning iPledge user or register if this is your first time on the site.

You may make a one-time donation or set up a monthly recurring gift. Either way, it's easy, secure and fast. Most importantly your gift will make a difference in your community. Thank you!

You don't have to make a mint to make a difference.

Please note that only credit/debit card donations are accepted on this site.

What happens when the campaign is over?

CSF will email you a final report showing all the employees who participated and what their donation was and how they donated (i.e. credit card or payroll deduction).

The donations made via credit card will come directly to us, so you don't have to worry about doing anything with those.

The donations made via payroll deduction, you will have to work with your payroll department to figure out when you want to send us payments. You can send them every pay period, monthly, quarterly, etc. Whatever works best for you is what we want you to do.
