Sample Social Media Posts for Worksites

We are excited to be able to include Community Services Fund in our employee giving campaign. Through Community Services Fund, our employees are able to designate directly which member agency(ies) they wish to support. Learn more about the different agencies here:

http://www.communityservicesfund.org/member-agencies/

Haven't decided which agencies you'd like to designate for our employee giving campaign? Learn more about the Community Services Fund member agencies that are included in the campaign here:

http://www.communityservicesfund.org/member-agencies/

With the help of Community Services Fund, we are able to provide our employees with many non-profit options in the community to give to through our employee giving campaign.

http://www.communityservicesfund.org

Running a workplace giving campaign with Community Services Fund allows us to let our employees choose where in the community they want to have an impact with their donor designated dollars.
